YOUR DREAM HOME ...

Live the life of your dreams in this custom-built, one-of-a-kind home, on the market for the first time. Tucked along a quiet country road minutes from town, it pairs peaceful retreat living with modern comfort on a half-acre framed by farmland.

The primary suite offers a spa-like Kohler bath with jacuzzi tub, walk-in shower, and hand-hammered copper sink. The kitchen boasts granite counters, custom maple cabinetry, a walk-in pantry, and a wet bar, opening to a soaring, floor-to-ceiling living room with an 80" TV included.

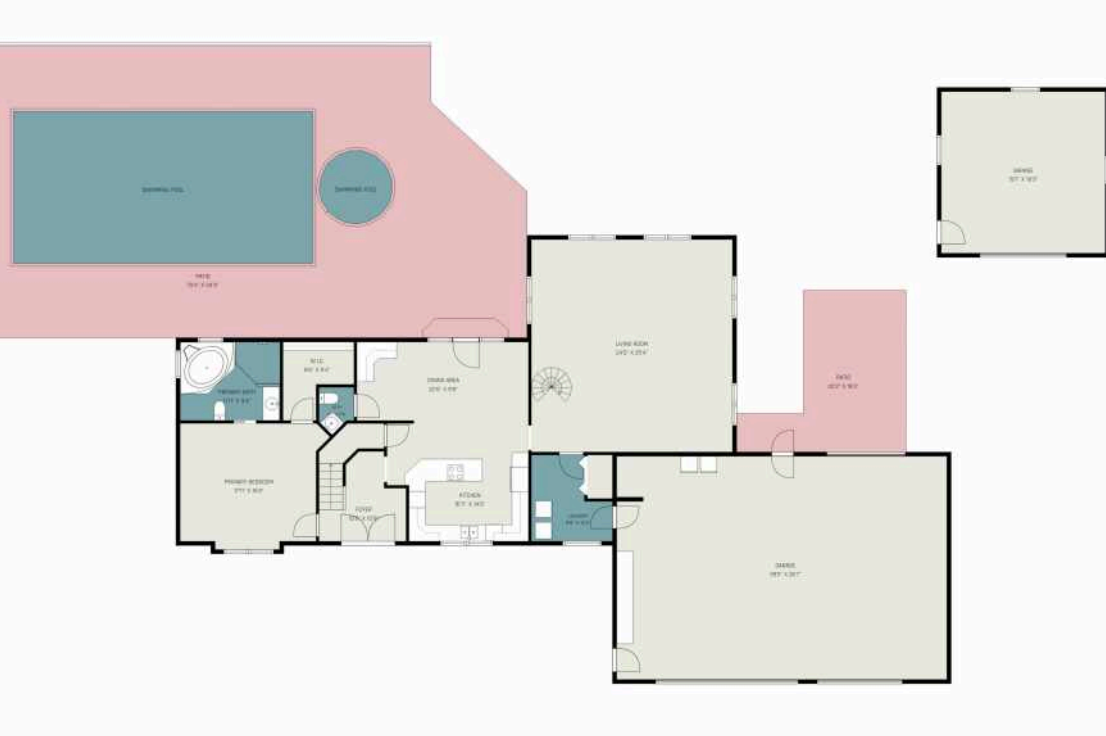

Upstairs, two more bedrooms and a full bath overlook a nearly finished 40' x 25' bonus room ready for your vision. The heated three-car garage is a dream workshop with two work areas and an air compressor hookup, while a tankless water heater and whole-home filtration add everyday ease.

Outside, a heated saltwater pool and hot tub, stamped concrete patio, poolside wet bar, and a versatile 20' x 20' shed complete this rare, resort-style retreat.
