1610 MONTGOMERY ROAD

FEATURES

Fall in love with this stunning brick and stone custom home on an amazing half acre lot. This spacious 5 bedroom, plus an additional bedroom in the basement, 5 full and 2 half bath home offers a fabulous open floor plan. Elegant dining room with custom drapery and beautiful wallpaper. Work from home in the private office with custom built-ins and plantation shutters. Light-filled two story family room opens to large cook's kitchen with stainless steel professional appliances, including large side-by-side Subzero fridge/freezer, 2 fridge drawers, newer Thermador cooktop, 2 dishwashers, recently painted cabinetry, granite counter tops, oversized island with seating, walk-in pantry, desk area and large breakfast room overlooking the incredible yard. Beautifully appointed powder room and another half bath near the mud room with a back staircase leading to the 2nd floor. Luxurious primary suite boasts a large bedroom with tray ceiling, gorgeous remodeled primary bath that has a double vanity with quartz counter tops, oversized shower with bench seating, separate tub and his & hers walk-in closets with custom built-in organizers. The additional 2nd floor bedrooms all have ensuite baths and generous closet space with closet organizers. Full finished basement has a large rec area with built-in wet bar, exercise room, game room with flooring for sports activities, bedroom and full bath. Oversized heated 3 car garage, circular driveway and side entrance off the mudroom. Enjoy the spectacular fenced yard with underground sprinkler system, pavers patio and built-in fire pit. Great location near schools, parks, pool, tollway and town.
