16 REGENT WOOD ROAD • NORTHFIELD

16 REGENT WOOD ROAD

FEATURES

Welcome to luxurious easy living at Regent Woods. This brick and stone home with exceptional location surrounded by pond views and lushly landscaped grounds. Outdoors, a freshly restored rear deck leads to an aggregate patio with a dining area beside the pond, ideal for relaxed meals and quiet evenings. Enjoy living on one level with all the main living areas, (including the laundry room), and main bedroom suite all on the first floor. Between 2014 and 2016, the sellers lovingly reconfigured and renovated the entire home with designer finishes throughout. The result is a warm, open layout that is as comfortable for everyday living as it is for entertaining. Two car attached garage is extra-large. A stunning staircase leads up to landing area that looks out over the first-floor living areas. Upstairs, two bedrooms share a full bath, a perfect guest quarters with quiet space for the grandchildren. The unfinished basement offers plenty of room for the next owner to create additional living space is so desired.
