A THOUGHTFULLY REIMAGINED RANCH-STYLE HOME TUCKED BENEATH A CANOPY OF MATURE TREES

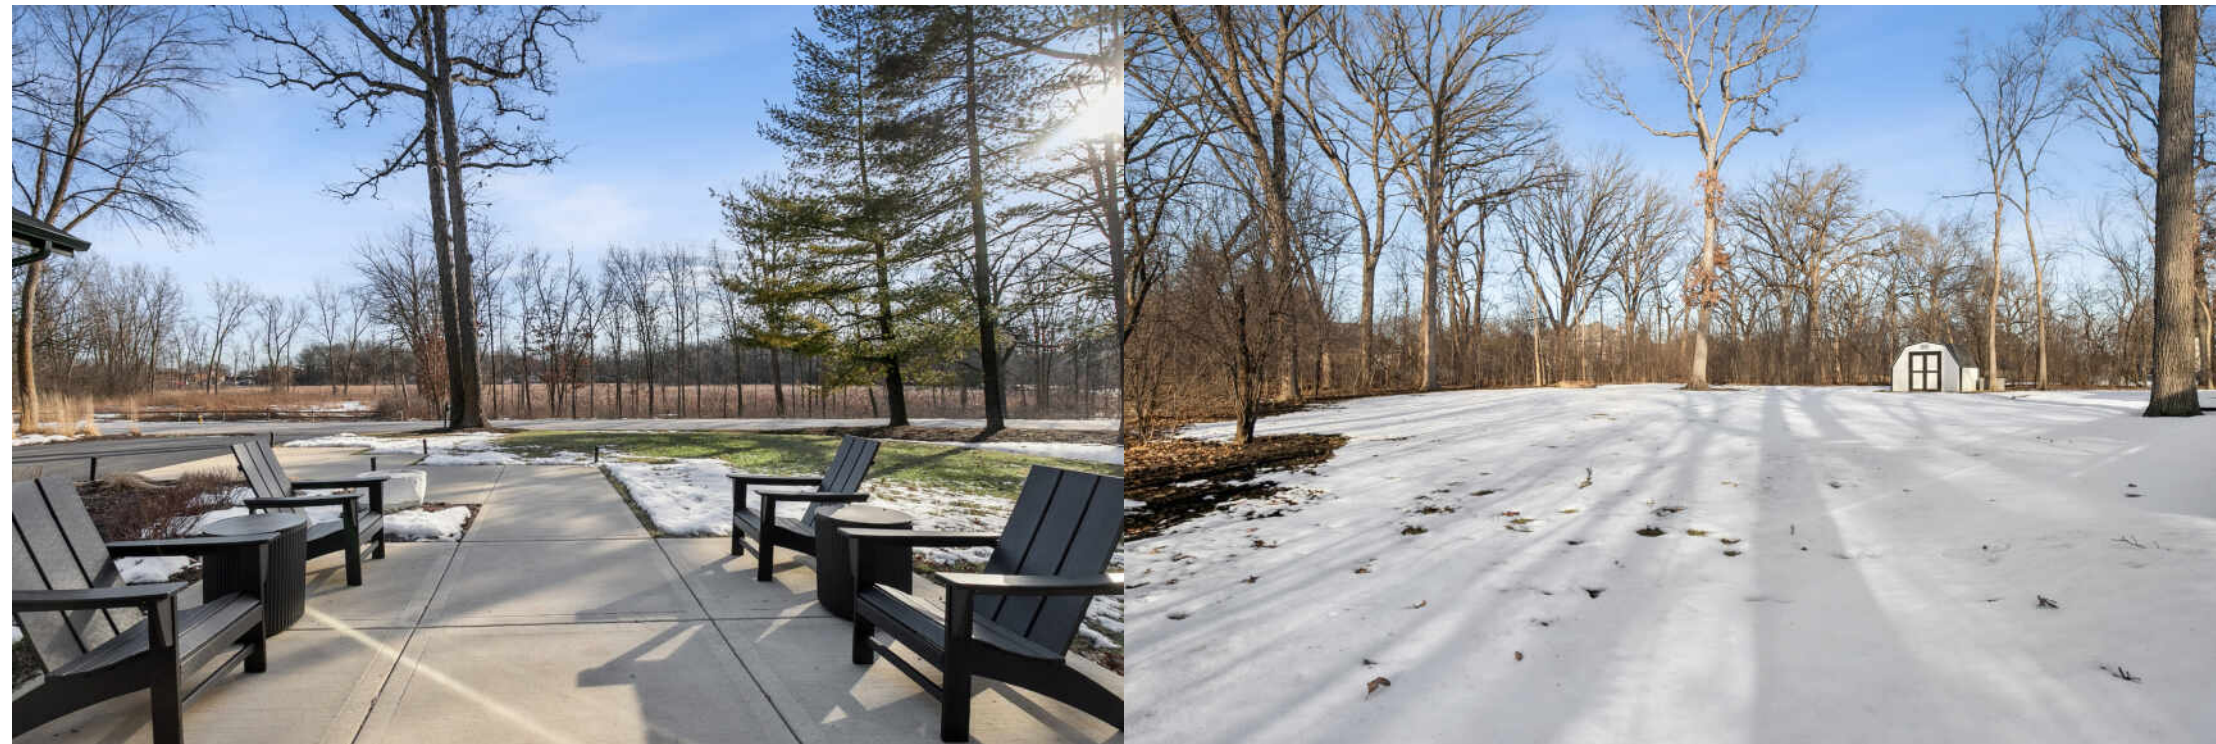

Where refined interiors meet effortless outdoor connection, combining designer finishes with comprehensive system upgrades and carefully curated exterior improvements. Special features have been executed with intention ensuring both modern appeal and peace of mind. The contemporary, open concept design with three bedrooms and three full bathrooms showcases an elevated kitchen with premium appliances and high-end finishes, tastefully appointed bathrooms, two laundry spaces, solid wood doors and new hardwood flooring, fresh paint providing a cohesive, refined backdrop and Restoration Hardware lighting lending a subtle, collected sophistication. The centrally located great room serves as the home's architectural centerpiece, where a vaulted ceiling with a decorative, exposed beam creates volume without sacrificing intimacy. A full-height gas fireplace offers warmth and ambiance, seamlessly linking the foyer and dining room providing a path to the kitchen; ideal for entertaining while maintaining a comfortable, connected feel. The charming sunroom offers a peaceful retreat for all seasons, wrapped in windows to capture natural light it creates a tranquil setting for morning coffee, casual dining or relaxed entertaining. Outdoors, the improvements continue. A recently completed TimberTech composite deck with Trex railing and integrated lighting creates a seamless transition from the indoors out. Professionally designed hardscape and landscaping, a concrete front walkway and asphalt driveway enhance the home's presence, while a newer roof adds lasting value. An exceptional offering in the highly coveted Oak Grove elementary school district, with convenient tollway access and close proximity to shopping and dining.
