STRIKING MODERN HOME WITH FLAWLESS DESIGN, THIS REMARKABLE HOME WILL TAKE YOUR BREATH AWAY

FEATURES

Designed for sophisticated entertaining, the formal entry foyer welcomes you to a dramatic staircase. Walls of floor-to-ceiling glass perfectly frame the tree-lined street views and draw an abundance of soft natural light into the open-plan living areas. The professional chef's kitchen features custom cabinets - that were chosen to compliment the unique architectural aesthetic of the home. A white quartz island, countertop, and backsplash include a fully integrated appliances package including a 48" Thermador range. Adjacent to the kitchen are a dining room and a family room with a modern linear fireplace with custom surround. Three bedrooms occupy the second level including a large primary suite with two enormous walk-in closets and an impeccably detailed bathroom featuring radiant floors, oversize custom vanity, a large shower with body sprays, and a soaking tub. The magnificent staircase with glass railing leads you to the full rooftop deck - a large bar greets you before stepping out to the roof deck with an outdoor kitchen and an amazing entertaining area where you and your guests can capture views of the city and sunsets. Entertainment space can be found in the light-filled lower level. Large recreation room equipped with full wet bar and extra storage, additional bedroom, full bath, and a full-size proper laundry room with side-by-side washer and dryer. Hard to find, attached 2 car garage with epoxy floor and features another roof deck for outdoor entertaining. You will love this state-of-the-art home - Every detail has been expertly executed - you're going to want to live here!
