You will fall in love with this spacious home and its park-like setting where fantastic memories will be made. The floor plan incorporates an open concept kitchen, dining and living room as well as a lower-level game room, all which are perfect for entertaining friends and family. The kitchen has been upgraded and is a chef's dream with a large granite island, stainless steel appliances and a built-in double oven. The home also has four bedrooms, four bathrooms and a home office. The primary suite occupies the entire second floor, serving as a private oasis with a large walk-in closet and spa-like bath. Outside, the surrounding trees provide privacy while the 20' X 40' inground pool, decks, patios and finished pool house are all designed for summertime fun and relaxation. Book your showing today!
