This light and bright 2nd floor ranch is immaculate with a private entrance and attached two car garage featuring high ceilings and an open floorplan! So much has been done here...Fresh paint, updated bathroom, new light fixtures, new door hardware throughout and brand-new furnace and humidifier. As you walk into the unit, you'll be amazed at the vaulted living and dining room with large windows making the space very light and bright. The kitchen is huge with an awesome island, loads of cabinets and countertop space and a wide pantry closet. The master bedroom is very spacious with tall, vaulted ceilings and a large walk-in closet. The bathroom has been renovated with a new vanity, flooring, light fixture, soaking tub and separate shower! The second bedroom is generously sized as well. In unit washer and dryer, too! Outside, enjoy a private deck with plenty of space for a table and grill that backs to a nice residential neighborhood. Great location close to parks and retail shopping/restaurants and in the desirable Oswego 308 school district!
