LONG BEACH IS A PICTURESQUE COMMUNITY WITH SMALL-TOWN CHARM AND CONVENIENT LAKE ACCESS.

Locals love the community's beautiful setting along the Lake Michigan shoreline and its resort-style amenities, which set the scene for both vacationing and year-round living.

Established in the 1920s, Long Beach was predominantly a summer getaway before it became home to many year-round residents. The community's proximity to Chicago makes it a popular destination for weekend vacationers as well.

With Long Beach's central location, residents have easy access to Michigan's Harbor Country and all that Northwest Indiana has to offer. The town is home to the Long Beach Community Center, which offers a state-of-the-art fitness center, classes, and personal training, and a country club with an 18-hole golf course.

Long Beach offers housing styles for the most discerning buyers, as well as those who are looking for a casual weekend retreat. Real estate ranges from parcels of acreage that serve as the backdrop for a future dream home to beachfront estates and lakeside cottages.

The Michigan City Transit runs a local bus route that connects Long Beach to Michigan City. Both Amtrak and the South Shore Line offer daily service from Michigan City to Chicago.
