2122 GRANGE ROAD

FEATURES

Set beyond an idyllic entry, obscured from the road by beautiful trees, you approach by a winding drive through mature woods this extraordinary estate. Unfolding across approximately 68 private acres in the heart of Southwest Michigan wine country, this property was designed as a place of retreat, gathering, and quiet luxury, where architecture and setting exist in complete harmony. The spectacular residence offers eight bedrooms and seven-and-a-half baths set across an expansive floor plan. Thoughtfully conceived and exceptionally constructed, the property reflects a level of craftsmanship and scale rarely found in the region. Outdoor living was designed with the setting and entertaining in mind, anchored by a large covered terrace with plumbing in place for a future outdoor kitchen and sweeping views across the grounds. The estate also includes an attached four-car garage with workshop and dog wash station, a large pole barn with water and electric, and an additional barn structure with overhead doors and lean-to. Connected to the main residence by a covered breezeway, the guest house offers exceptional flexibility for extended stays, multigenerational living, or private hosting accommodations. Vaulted living spaces, fireplace, eat-in kitchen, laundry, and expansive patio create a residence that is seamlessly integrated into the estate. Enjoy an extraordinary sense of privacy and seclusion, while also being located close enough to major travel hubs for easy access to Chicago. This estate offers a rare combination of accessibility, acreage, and lifestyle in one of Southwest Michigan's most desirable rural settings.
