MILLION DOLLAR VIEWS

This meticulously maintained ranch home is perfectly positioned on this almost 1.5 acre lot to take full advantage of the breathtaking pond views from the expansive windows that stretch across the back of the house. If you truly appreciate attention to detail, this is your slice of heaven. From the barreled ceiling entry, to the numerous custom skylights, multitude of can lights, automatic lights in the closets, detailed moldings, recessed window treatments, additional storage areas and more, every square inch has been efficiently used and cared for on an ongoing basis. The kitchen is the hub of the home with cherry cabinets, granite counters, stainless steel appliances, to include a double oven and warming drawer, center island with seating highlighted by a large skylight, display cabinet and pull-out pantry. The family room is to-die-for with its dramatic vaulted ceiling, skylights and wall of windows overlooking the paver brick patio, park-like backyard and the serene pond which is stocked with fish. There is a living room with a stately fireplace, dining room with a bay window looking out to the backyard and a main floor office. The basement is fully finished and immaculate with a huge recreation room with a wood burning fireplace, craft room, full bath, space for a workshop with a door to the outside, tons of storage to include a cellar and built out so natural light flows throughout. Are you a hobbyist or do you have a lot of outdoor "toys"? This 4 car attached garage is going to knock your socks off! - epoxy floor, fully drywalled, heated, utility sink, well lit plus several windows for natural light. If you needed to, you could fit 6 cars in this garage. The home lays out ideally for indoor and outdoor entertaining. Own the home that everyone will want to hang out at and never leave.
