FANTASTIC NEWER CONSTRUCTION & BUILDER'S OWN HOME!

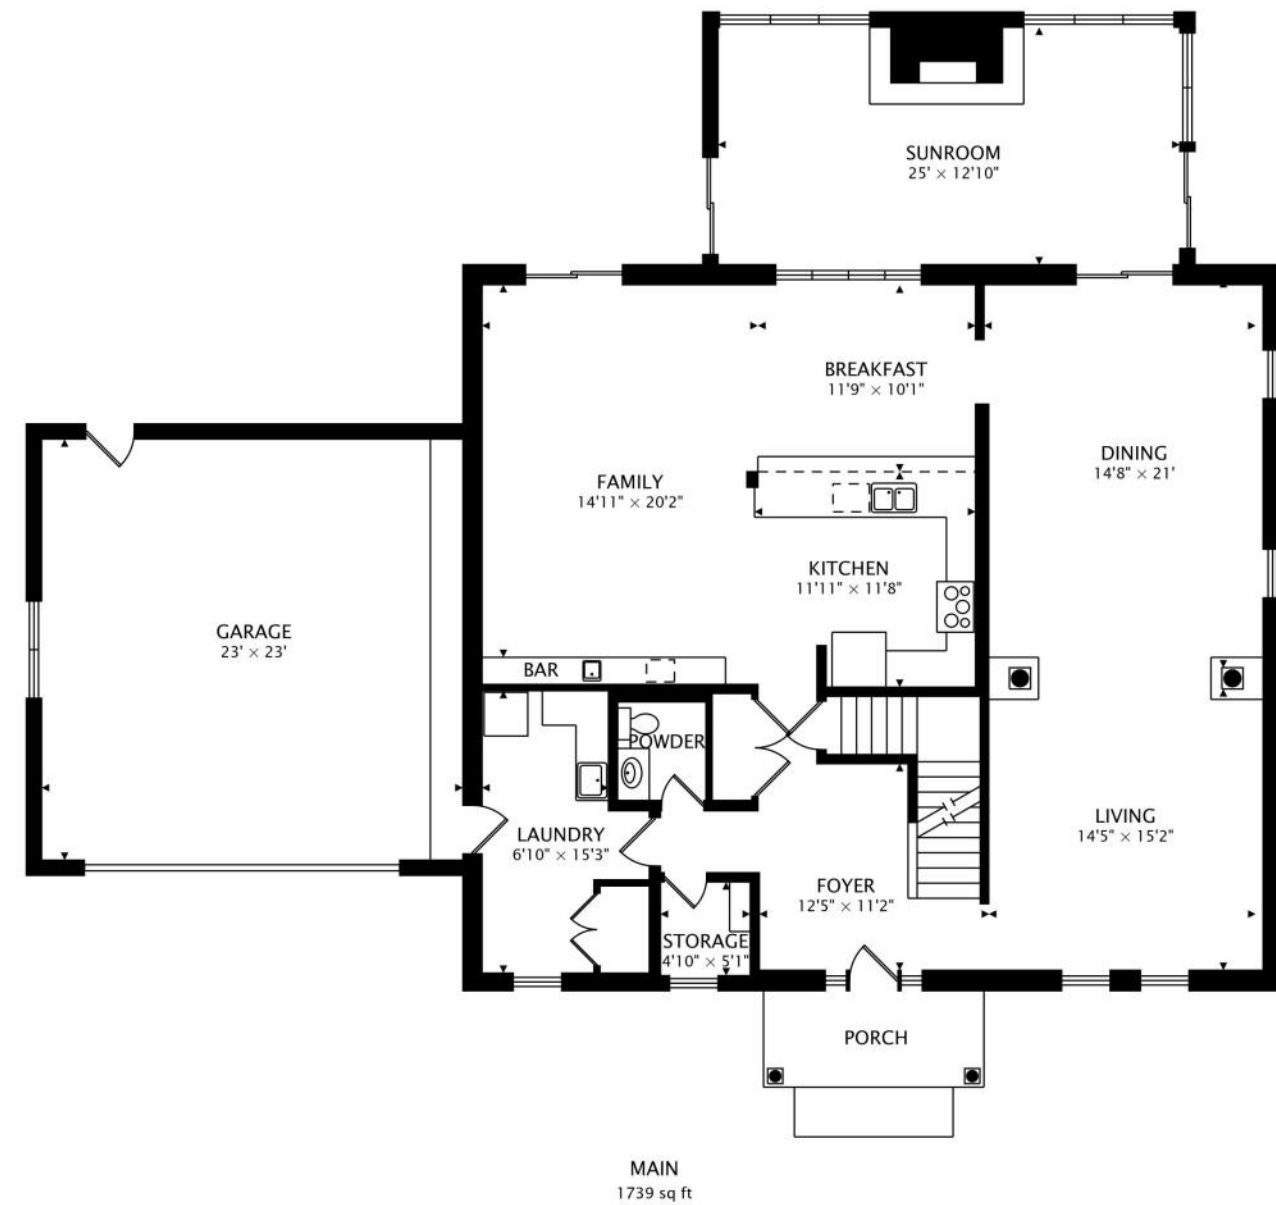

- Great open floor plan - So much space inside and out! Features recently remodeled kitchen and baths. Kitchen / family room combination has abundant white cabinets, quartz countertops, stainless appliances, bar area & large pantry
- Separate very large dining and living rooms
- Awesome 4 seasons sunroom with gas fireplace and vaulted ceiling off of the living room opens to patios on either side - great for parties!
- Convenient 2.5 car attached garage with epoxy floors leads into the spacious laundry room and 1/2 bath
- Upstairs is a large primary suite with remodeled spa-like bath and huge walk-in closet
- Three additional good sized bedrooms and a newly remodeled full hall bath complete the 2nd level
- Full unfinished walk out basement is plumbed for a full bathroom - great space to finish or leave as it is for storage
- Additions to the house include: the sunroom completed in '03; round patio addition '04 with the gazebo added '05; the rear patio was extended and the pergola was added '09; The barn was built in '07. Roof was replaced on '10 (30 yr roof Timberline shingles), New dual high-efficiency furnaces replaced '15 (with controls on 1st and 2nd floor for heating and cooling), New water heater '21, New sump pump '24, Upstairs AC replaced '22 (also high efficiency). Appliances '15 except refrigerator '19 & DW in '23, Garage door replaced '17 & opener replaced in '19.
- Feels like being in the country on the 3/4 acre professionally landscaped lot with barn and fire pit ring!
