The dining room comfortably accommodates a party of ten. The home features French Oak floors laid in a classical chevron pattern. The Living Room features an elegant wood-burning fireplace and custom built-in dry bar. The primary and secondary bedrooms each feature custom-designer wood built-ins and wardrobes. The primary bedroom is expansive, with views of the Lake and ample room for a cozy reading nook or desk, in addition to a king-sized bed. The second bedroom is currently in service as a large, rich and moody office. In addition to a beautiful feature wall and art lighting, the office features designer lighting by Kelly Wearstler and imported European cabinet hardware. The primary bathroom and powder room are true jewel boxes. The large, expansive primary bathroom features ample built-in storage, an enormous soaking tub, and an oversized waterfall shower. The Calacatta Gold marble sink is honed from one solid piece of stone and the hardware is Kallista all from Hydrology. There is a brand-new family-sized washer and gas dryer setup in the hallway just outside the bedrooms.
