

27661 PINE LAKE STREET
EDWARDSBURG MI

4 BEDROOM
3.5 BATH

TRANQUIL LAKE ESCAPE

Hidden along over 1,300+ feet of naturally sandy shoreline, this contemporary waterfront retreat unfolds across nearly 20 private acres. Panoramic water views and sunset skies stretch endlessly throughout the home and surrounding landscape, with the property's expansive beachfront spanning nearly half of Pine Lake's shoreline. A setting of remarkable openness and uninterrupted lakefront rarely found within the inland lake market.

Recently reimagined, this updated residence blends elevated lake living with warmth and ease. Vaulted ceilings, skylit gathering spaces, expansive wraparound decking, and a screened porch suspended within the trees create a seamless connection to the water from nearly every vantage point. Designed equally for entertaining and escape, the home offers 4 bedrooms, 3.5 baths, and two primary suites, each with their own secluded walkout connection to the outdoors.

The kitchen anchors the living spaces with updated finishes, stainless appliances, and picturesque lake views, while fireside interiors create an atmosphere tailored for long summer weekends, quiet winter mornings, and generations gathered at the water's edge. The result is a home that balances resort-style living with the comfort of a waterfront escape.

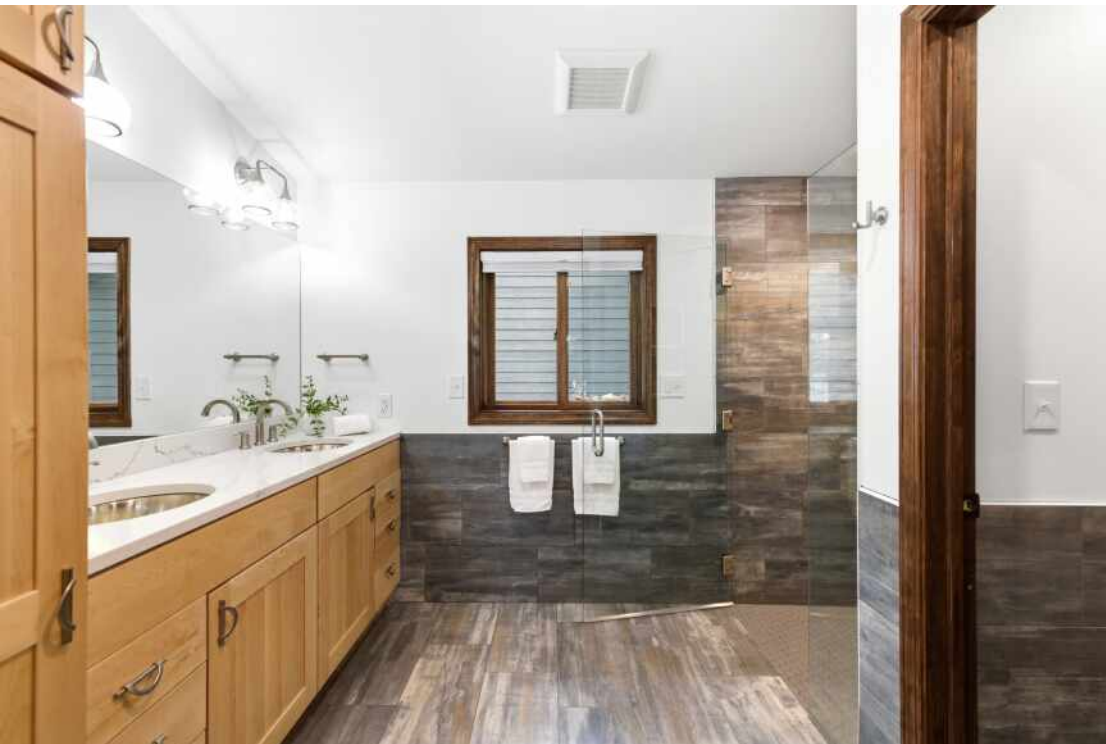

Beyond the residence, wooded trails weave throughout the property, tracing the shoreline before opening into a large fruit-bearing orchard and expansive clearings ideal for recreation, gathering, and future vineyard possibilities. The grounds were designed to be experienced year-round, whether hiking, off-road biking, cross-country skiing, or simply following the lake toward sunset.

This is a shoreline experience, enjoy your own private boat launch, floating dock, exceptional bass fishing, kayaking, paddleboarding, and endless waterfront recreation across its peacefully warm, mirror-like waters.
