FEATURES

Set between Lake Michigan and the harbor channel, this Dunewood residence presents a rare dual-waterfront setting defined by privacy, open views, and effortless access to the water. The kitchen anchors the home with two oversized islands that naturally support both everyday living and entertaining. Dual decks expand the living space outdoors, offering Lake Michigan views on one side and the movement of the harbor channel on the other. Inside, a light-filled sunroom creates a quiet place to unwind, while two fireplaces add warmth and comfort through the cooler seasons. The upper levels feature a private primary suite, two generous guest bedrooms connected by a Jack & Jill bath, and a fourth-floor workspace well-suited for focused use or creative pursuits. A second-floor laundry adds everyday convenience, while the entry-level bedroom--currently used as a gym--offers flexibility for guest space, fitness, or work-from-home needs. A three-car garage provides ample storage. A fifty-foot boat slip with lift is included, located directly on the harbor channel for seamless access to Lake Michigan. Dunewood amenities include gated entry, a lakeside pool, and additional community features that enhance the ease and lifestyle of this exceptional location.
