4 BEDROOM
2.1 BATH

Welcome home to 4075 Conifer Drive. This is the home you have been searching for! Beautifully maintained and thoughtfully updated with custom millwork, this exceptional 4-bedroom, 2.5-bath home offers over 3,100 sq ft of light-filled living space and a 3-car garage, all set on a premium, private lot. The sun-drenched, south-facing rear exposure fills the home with natural light, highlighting the stunning floor-to-ceiling fireplace and inviting main living areas. The kitchen flows effortlessly into the family room and features a first-floor office just off the space, perfect for today's lifestyle. Upstairs, you'll find a lofted living area ideal for a second lounge, playroom, or workspace, along with a spacious primary suite featuring a vaulted ceiling and a true retreat feel. The additional bedrooms are generously sized with ample storage. The unfinished basement with full-size windows and a rough-in for a bathroom offers incredible potential to create a beautiful extension of your living space tailored to your needs. Move-in ready with space to grow.
