FEATURES

The public rooms flow together seamlessly, creating an ideal space for both large-scale entertaining and comfortable living. The living/dining room has a gas fireplace, hardwood flooring, and enjoys abundant sunlight from floor-to-ceiling windows. The kitchen is a chef's dream with its copious counter and cabinet space, granite counter tops, high end appliances, and a breakfast bar with seating for six. The kitchen opens to a graciously sized family room with an adjacent powder room and a laundry room with Samsung washer/dryer. The sumptuous primary suite enjoys city views, two walk-in closets, and an ensuite bath with a jetted tub, separate shower, double sinks, and private commode. Graciously sized, the second bedroom features a walk-in closet and ensuite bath. A study with custom built-in cabinetry and new interior lighting and desk is the perfect home office. All closets were redesigned in 2024 by California Closets. The Montgomery's amenities enhance this exclusive lifestyle, with a state-of-the-art lobby, friendly 24-hour door staff, attentive maintenance staff, in-unit package drop-off, dry cleaning services, a fitness center, and a newly renovated patio and roof deck.
