DUTCH FOR “WHERE THE WATERS MEET,” **WATERVLIET** IS A RURAL FARMING COMMUNITY IN BERRIEN COUNTY.

Locals love living in the quaint, scenic community of Watervliet. In addition to its stunning vistas, the small city offers residents a close-knit vibe.

A picturesque Main Street greets residents and visitors with antique and gift shops and a local brewery serving handcrafted sodas and beers.

Ideal for those who enjoy the outdoors, the city serves as the connection between the popular Paw Paw Lake and Paw Paw River, which are great for canoeing and kayaking trips. Several housing developments surround the lake in Watervliet and Coloma.

Many Chicagoans have summer homes here. I-94 provides convenient access, crossing through the township with two interchanges, and M-140 also runs through the area.
