CHARMING TWO BED/ ONE BATH HOME WITH 1 1/2 CAR DETACHED GARAGE

Welcome to this beautifully updated brick ranch in sought-after Gladstone Park! Situated on an oversized lot, this well-maintained home offers the perfect blend of classic charm and thoughtful modern updates. The renovated kitchen and bath feature sleek quartz countertops, while the spa-inspired curbless walk-in shower adds a luxurious touch.

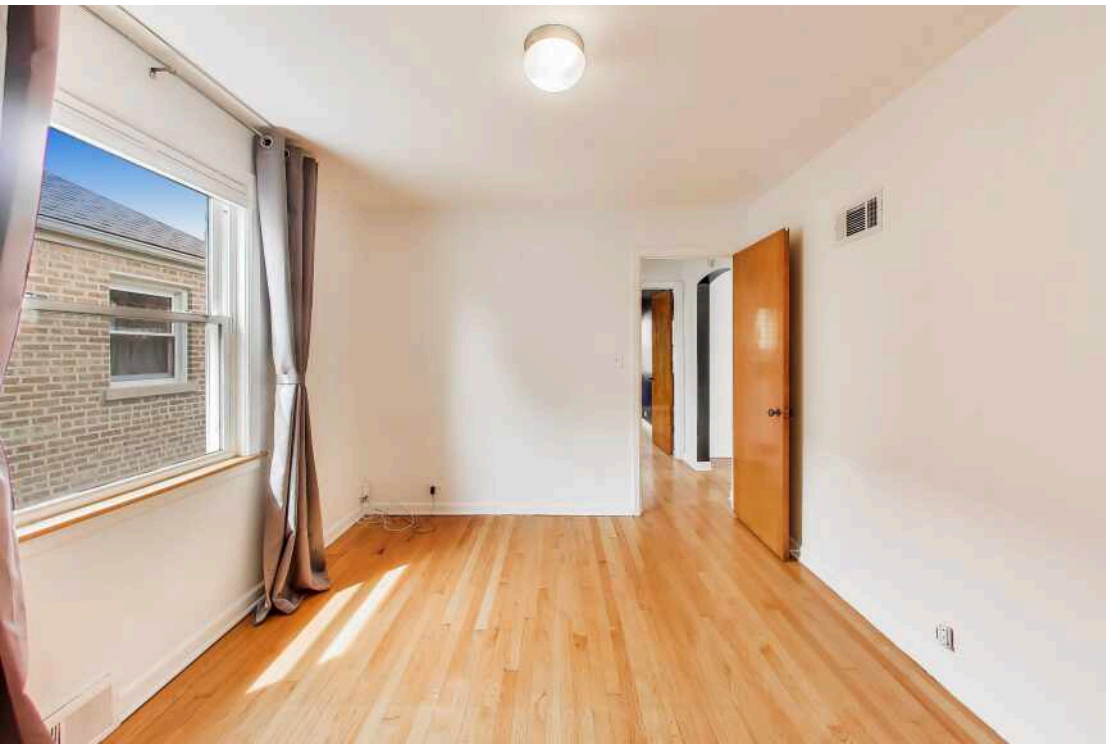

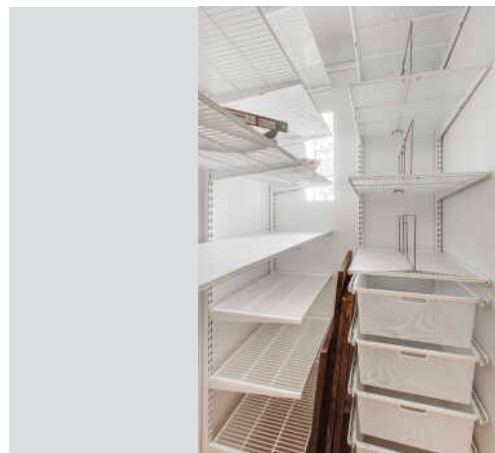

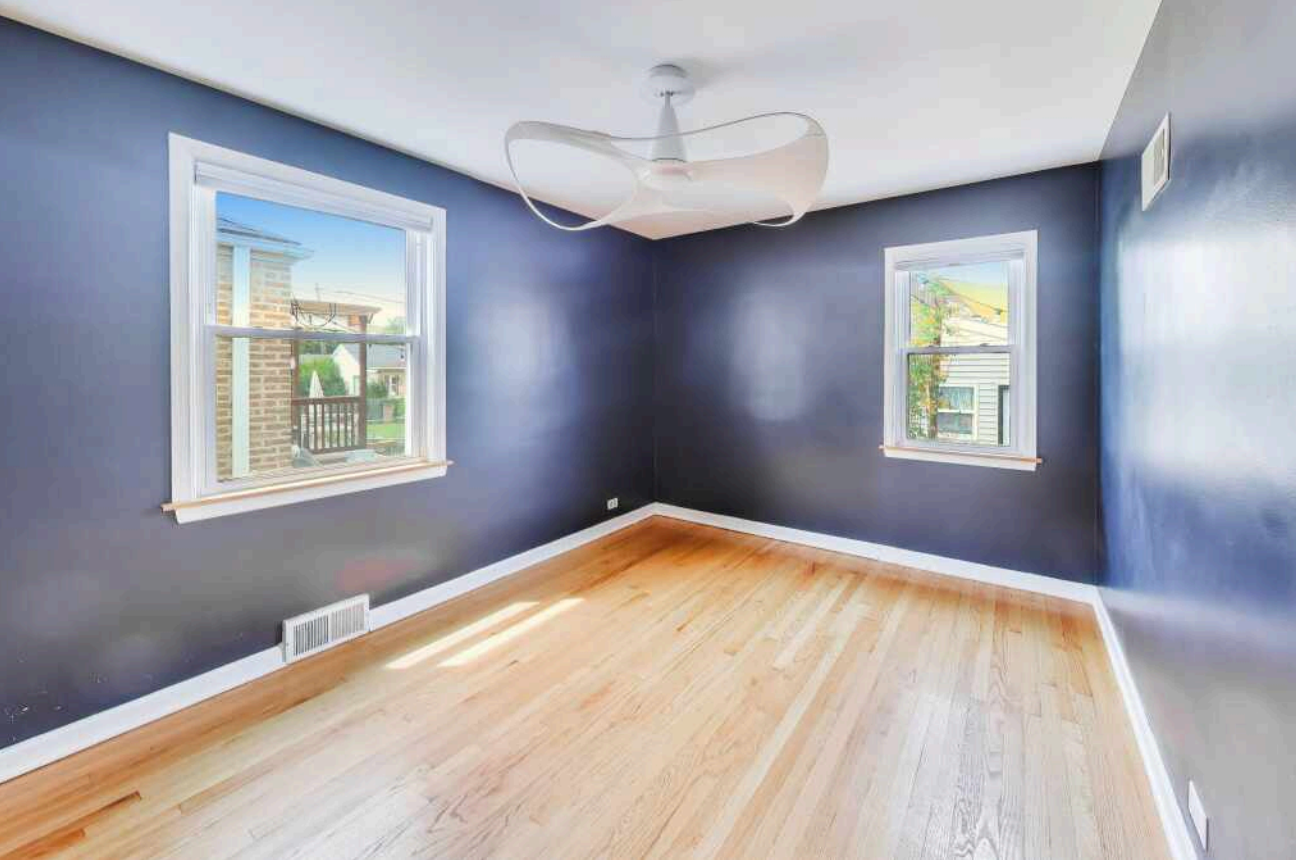

The spacious basement boasts high ceilings and has already been extensively improved with a new finished epoxy floor, flood control system, sump pump, ejector pit, and plumbing for a future bathroom—creating incredible potential for additional living space.

Major mechanical updates include a high-efficiency furnace (2021), heat pump water heater (2023), updated electrical throughout, newer LG laundry units (2024), and EV charging outlet in the garage. Organization is effortless with The Container Store closet systems and custom basement wardrobe storage. Outdoor living shines with a Trex composite deck (2020) and generous yard space.

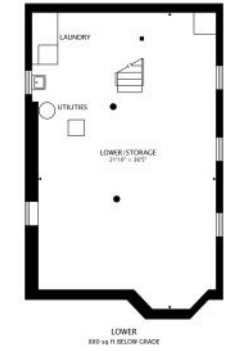

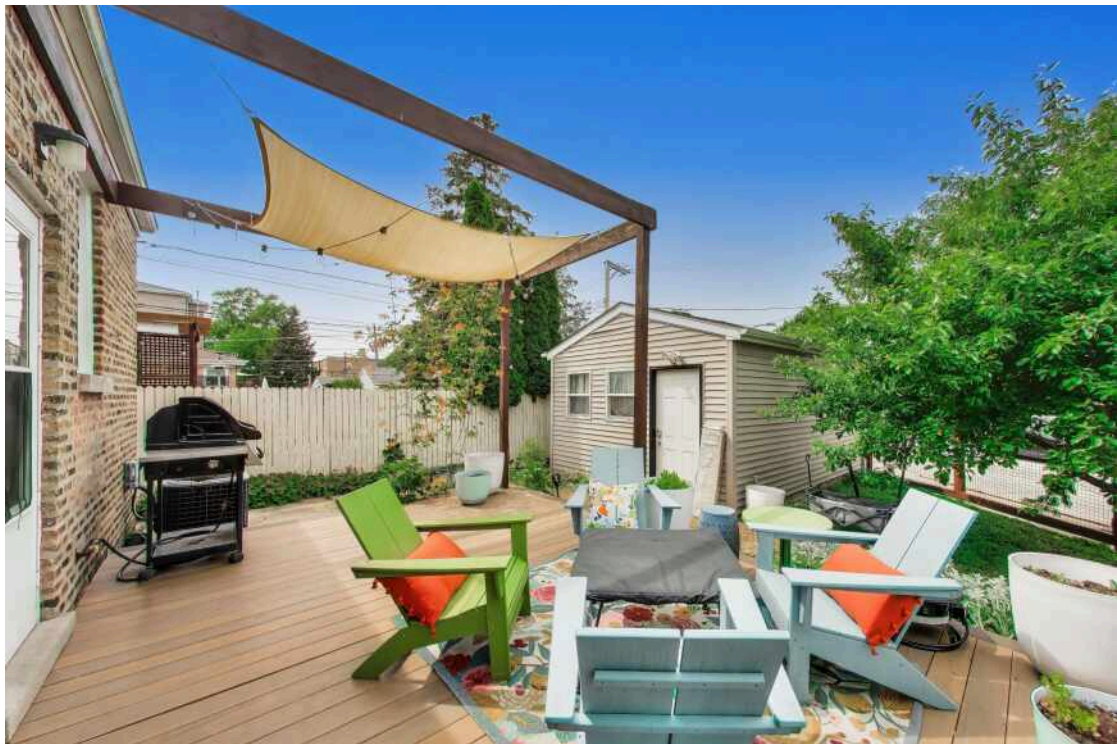

Conveniently located across from Catalpa Early Education Center and just minutes to the Jefferson Park Blue Line, Metra, I-90/94, shopping, parks, and restaurants. Oversized 1.5-car garage included. A move-in ready opportunity in an unbeatable location!
