## 603 CENTRAL AVENUE

### FEATURES

A beautifully designed home, by award-winning Morgante Wilson Architects in 2007, is an architectural dream! Every room and every finish has been artfully crafted with amazing mill-work, curved walls, an open staircase, over 100 windows and tall ceilings help to create inviting and spacious rooms. The light filled kitchen, with custom built Amish cabinetry, has an inglenook with a cozy sitting area, tiled fireplace and eat-in kitchen area that connects to the stunning sun-room. A great family room with beautiful built-in bookshelves and a riverstone fireplace overlooks the lovely and private deck. The lovely formal dining room has 12' windows and a 17' tall ceiling. The living room has a stately stone fireplace with built-in bookcases and french doors that lead out to the front porch. A spacious mudroom connects to the side entrance of the home. The three-story stairway connects to the second floor which offers a lovely primary suite, two additional bedrooms with full baths and laundry. A large office or 4th bedroom sits privately a few steps away. The third floor provides a tremendous light-filled space perfect for a studio, additional family room or office space, balcony, and a 5th bedroom and a full bath. The yard has been lovingly tended with innumerable perennials, many native plants, and a sizable raised bed/fenced organic vegetable garden. All this on a large lot, steps to the lake, the Bahai temple, the metra/el and downtown Wilmette. It's a true 10 in East Wilmette!

RANKED BY *CHICAGO* MAGAZINE AS ONE OF THE CHICAGO AREA'S BEST PLACES TO LIVE, **WILMETTE** IS A VIBRANT TOWN WITH A WEALTH OF AMENITIES.

*Locals love the convenience that comes with living in this picturesque North Shore community. From shopping and fine dining to a beautiful lakefront setting that's within easy reach of downtown Chicago, Wilmette has it all.*

When it comes to housing, there's no shortage of architectural styles and price points in this lakefront community. Quintessential Cape Cod, Victorian, and Colonial homes line the village's historic streets, many of which are paved with clay-fired bricks from the 1800s. In addition to single-family homes, there are beachfront condominiums and townhomes. While well-kept homes maintain Wilmette's rich architectural history in all of its glory, new construction attests to the village's enduring popularity.

Residents also have access to nationally recognized New Trier High School, located in Winnetka.

Wilmette's Metra station and access to I-94 make commuting to downtown Chicago a breeze, but there's plenty of reasons to stay local. At the heart of town is the Village Center, where you'll find specialty stores, restaurants, and the Wilmette Theatre. Along Sheridan Road there is Plaza del Lago, providing more shops and services to locals. Meanwhile, ample recreational activities are available at Gillson Park and beach, Wilmette Harbor, and the Centennial Recreation Complex, which includes swimming, tennis, and ice skating.
