This home is special. Imagine a mindblowing panoramic waterfront location in Fieldstone. The perfectionist owners have elevated every square inch of this home. The kitchen has been comprehensively reimagined using only the highest-quality materials and craftsmanship- anchored by Wolf, Sub-Zero, and Cove appliances. A first-floor bedroom suite (separate from the owners' suite) enjoys serene water views, while the owners' retreat elevates luxury with a spa-level bath, private balcony, and an extraordinary, oversized closet. All bedrooms have private bathrooms. Two story family room. All brick construction. Extensive use of plantation shutters. The extra light, view-out lower level is designed for entertaining-complete with game room, theater, and fifth bedroom-it underscores the home's depth and versatility. A three-car attached heated garage with epoxy flooring completes the offering. This is a rare waterfront statement home in Burr Ridge- and one that must be experienced to be believed.
