Devonshire! Beautiful, Accessible & Fully Renovated corner ranch home is ready for you! This spacious Skokie high end redesign features an open concept Living Room, Dining Room, & Kitchen that beautifully flow together. The Chef's Kitchen features top of the line appliances, high end cabinets with interior lighting & soft close doors, pull out shelving, & quartz countertops with several work stations. Primary bedroom has 2 closets, attached bathroom with walk-in rain shower, back lit mirrors, outlets in the drawers, & a heated towel rack! 2 more bedrooms each with wall to wall closets. Hardwood floors throughout. Second full bathroom with walk in shower. AND a 1st floor laundry room. Custom extra wide staircase flows down to lower level with tons of storage & the 3rd recently updated bathroom with ceramic tub. Everything has been updated in the lower level and is waiting for you to make it your dream family room. Attached updated 2 car garage. All new windows. Gas fireplace, vaulted ceiling, and skylights. Surround Sound. The whole home has been rewired & has all new copper plumbing. Roof was a complete tear off in 2020. This home sits on a large corner lot, with a beautiful garden, & a side fenced in yard perfect for your outdoor entertaining! But wait there's still more!!! See all the updates in the Additional Information drop down menu. You'll be glad you did!

SIZES AND DIMENSIONS ARE APPROXIMATE, ACTUAL MAY VARY.
