Discover the extraordinary One Magnificent Mile Penthouse, meticulously designed by the renowned architect Bruce Graham. Known for iconic structures like the John Hancock Center and Sears (Willis) Tower, Graham has created a masterpiece here. This luxurious penthouse boasts a spacious 5,000 square foot living area and a charming 550 square foot terrace.

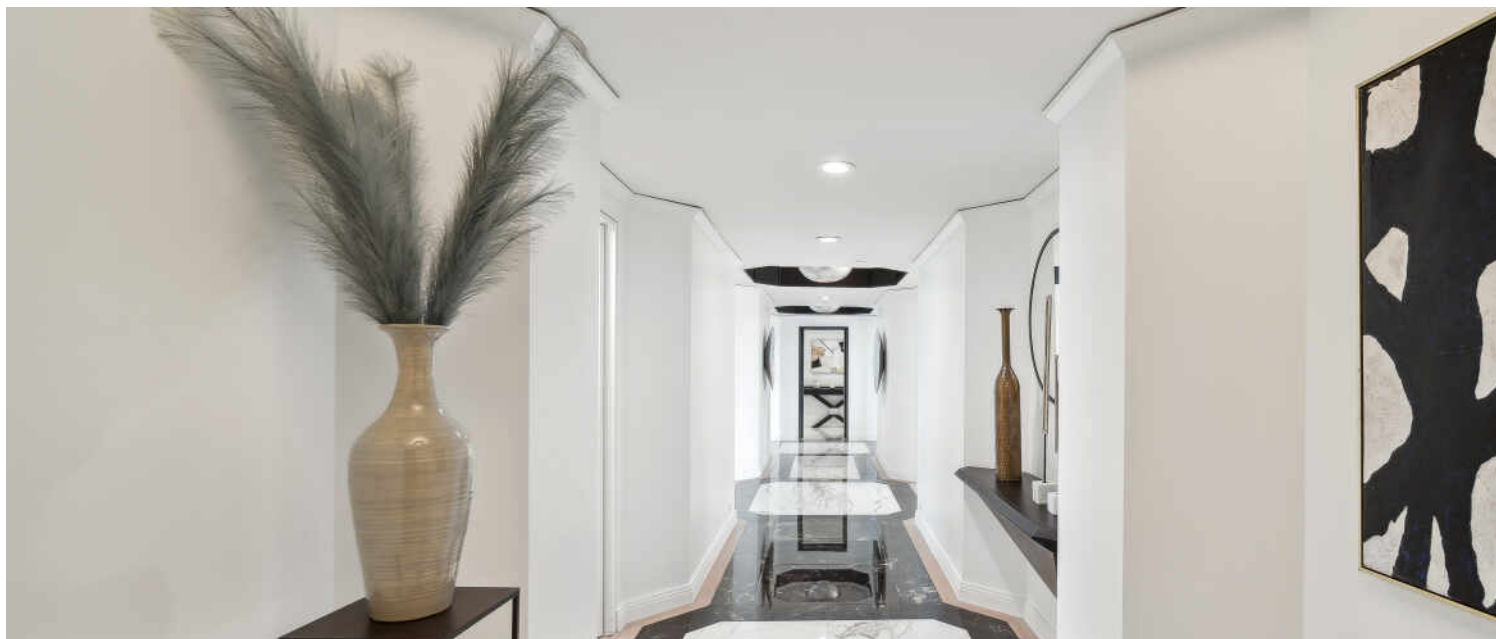

Immerse yourself in unparalleled views of Chicago's skyline, including Lake Michigan, Oak Street Beach, Lake Shore Drive, Navy Pier, and the Magnificent Mile. As you step inside, a dramatic gallery leads to spacious living areas, including a large family room, separate dining room, and a private terrace accessible from five rooms. The modern kitchen features an oversized island and top-of-the-line stainless steel appliances, including Sub-Zero, Wolf, and Viking, allowing you to cook with the cityscape as your backdrop. The master suite boasts a wall of windows, its own terrace, a true dressing room, walk-in closet, and two spa-like bathrooms with lake views. Two additional en-suite bedrooms and a den complete this elegant penthouse in the sky.

One Mag Mile building stands out - it's one of the few with its entrance directly on Michigan Avenue. Residents enjoy 24-hour door staff, a rooftop deck, an indoor pool, spa, and fitness center. With the beach, shopping, and entertainment conveniently located at your doorstep, this penthouse is a rare gem.
